

Power Protect Ultra

- Silicone-Free Protection Sealant -

Product Description

Product Category:	Protection
Category:	Alternative
Cut:	2
Gloss:	10
Polishing Tools:	Medium Cut Foam Pad Wax Foam Pad Microfiber Cloth

Consumer information

- Sealing with the correction of minor surface defects
- Free of silicone, particularly well suited for use in coating applications
- Suitable for rotative and eccentric application
- After the surface has dried, clean and polish the product with a fresh microfibre cloth

Menzerna Power Protect Ultra is a silicone-free coating sealant and high-gloss finish in a single product. PPU removes fine streaks and holograms in addition to forming a protective film with outstanding gliding properties that prevents the adhesion of dirt. VOC-free.

Benefits, special features

- Silicone-free
- Paint shop safe
- Finest abrasives for removing fogging and holograms
- High-gloss polish and sealant in one product
