

GELCOAT PREMIUM PROTECTION

High-tech Marine Sealant

Wellness for your boat. Relief at the stern, bow, starboard and port. Gelcoat Premium Protection offers long-lasting protection against adhesion and scratches.

The latest polymer technologies create a visibly fresher and perceptibly smoother surface. Lively effect: less resistance, reduced consumption.

► Polishing result:

Long-lasting surface protection, preservation of the previously achieved polish, protection against environmental influences, deposits and scratches.

► Polishing tool:

Medium Pad, microfiber cloth

► Advantages:

- Flawless surface for economical flow characteristics
- Maintains and enhances the value of the boat
- Effectively prevents adhesion, even during extended lay days and downtime
