

AS 30 - Heavy Cut Polishing Cream -

Product Description

Menzerna AS 30 is an effective polishing cream. AS 30 removes overspray, severe signs of use and sanding marks effectively and reliably. The polishing cream is particularly suitable for fresh, soft clear coat. AS 30 is a waterbased polishing cream without silicones.

<p>General information:</p> <p>Product Group: Heavy Cut</p> <p>Category: Alternative</p> <p>Cut: 10</p> <p>Gloss: 3</p> <p>Application: Paint shops</p> <p>Storage: 5 - 30°C, avoid frost and direct sunlight</p> <p>Colour: White</p> <p>Volumes: 1 Kg: 14992.203.001 7 Kg: 14992.200.001</p>	<p>Chemical information:</p> <p>Density: -</p> <p>Viscosity: creamy</p>	
<p>Technical information:</p> <p>Maximum abrasion: P800</p> <p>Polishing tools: Heavy Cut Foam Pad, Lambs wool</p> <p>Rotational speed: Rotary: 800–1,200 rpm Orbital: depends on manufacturer</p>		

Recommended Usage

1. Clean surface thoroughly prior to polishing.
2. Apply a small quantity of the product onto the polishing pad (a pea-sized drop is sufficient for an area measuring approx. 40 x 40 cm).
3. Use the Menzerna Heavy Cut Foam Pad or a Lambs wool in the event of heavy signs of use. If using a new or dry pad, apply sufficient polishing cream to prevent the formation of noticeable holograms.
4. Use either a rotary or an orbital polishing machine and use the cross-coating method. Apply light pressure at the start of the polishing process. Take away the pressure in the final cycles and increase the speed of the polishing machine by 10%.
5. Dilute the cream with water as required. If working on very dry coatings, spray a little water onto the surface to prevent dust formation.
6. At first, the polish will seem a little milky and should be worked in until only a slightly transparent/oily film is visible.
7. Once you have finished polishing, remove any residue with our Premium Microfiber cloth, without applying any pressure.
8. Any signs of sanding and use have now been removed. For an exceptionally glossy finish, now apply a Menzerna Medium Cut and a Menzerna Finish Polish.
