

Control Cleaner - Polish Supervision Spray -

Product Description

Menzerna Control Cleaner (CC) is a control cleaning spray for surface inspection in the polishing process. CC absorbs polishing residues, grease and contaminants, enabling the visual inspection of the coating surface being processed.

--	---

Recommended Usage

1. Use: cleaning the polished surface or preparing the coat for a sealant.
2. Spray Menzerna Control Cleaner onto the surface to be cleaned.
3. Wipe away residual polish, grease and wax by making circular motions with our Premium Microfiber Cloth.
4. Use another clean Microfiber cloth to dry the surface.
